

Imagine!

Building Futures

September 28, 6 p.m.
at Mile High Station

A fundraising event for

earthlinks
COMMUNITY ENDS ISOLATION

earthlinks

COMMUNITY ENDS ISOLATION

Since 1996, EarthLinks has been cultivating personal transformation and self worth with people experiencing homelessness and poverty. By creating opportunities through Earth-centered programs, individuals step out of isolation and into community—restoring each other and the planet. We are a successful social enterprise with a coffee shop at 13th and Decatur in Denver, an online and retail store for gifts and handmade body care products, and a garden that produces food for our Participants and community members in need.

Imagine! is our signature fundraising event of the year. This year we are holding the event at Mile High Station, a historic steelworks building. The event will feature a four-course meal, a program with Participant testimonials, and a special musical performance.

Imagine!: *Building Futures*
